The members of the Goreville Volunteer Fire Department would like to thank the community for the continued support that has been received over the years. Your support and appreciation always makes our job easier and more fulfilling. We are writing to you early this year for the **2021 Letter Campaign**. Providing the tools, training and equipment to save lives and protect property is an expensive task.

Goreville Volunteer Fire Department wants to meet the challenge of providing the highest quality fire and rescue service to our community.

The Fire Department appreciates any donations to help us meet the department goals and any unforeseen issues. Donations are tax deductible as we are a 501c organization. Money donated will be used to maintain/purchase equipment. We apply for grants when they are available, but it does not take care of all our needs.

Every dollar you donate helps the Goreville Volunteer Fire Department serve a person in need. You and your donation play a critical role in helping our community.

Once again, thank you for your continued support.

Sincerely,

Larry Vaughn
Mayor

Randy Childers
Fire Chief
